Dear Sir:

Your letter of April 12th received. You advised me to go ahead and arrange for the Eagles to play the House of David in Roosevelt Stadium on Wednesday, June 18th and keep Friday, June 20th open in case of rain.

I will be glad to come and play the game for the same amount as last year, but I will have to ask for an additional \$150.00 for Friday night, June 20th. I explained to Mr. Schwarz in my letter that Fridays in June are our very best nights to play exhibition baseball. If these terms are satisfactory, please let me know and I will send a contract.

Very truly yours,
